

Greenpointe at Meadow Woods

April 2018 Newsletter

Reminder to Water Grass

We would like to remind everyone to water their grass per the Orange County schedule in order to keep your lawns looking as healthy and green as possible.

Please note that grass should be watered before 10 AM or after 4 PM on your specific watering days per the water restrictions in Orange County. Please see your specific watering days below:

Homes with odd-numbered addresses:
Wednesday and Saturday.

Homes with even-numbered addresses:
Thursday and Sunday.

Thank you for your cooperation in this matter.

Parking at the Entrance

Residents from Greenpointe and Summerfield are parking their vehicles along the entrance to both communities on Stonebrook Place. This is causing some safety concerns as people enter and exit the community.

Since Stonebrook Place is a County road, we asked the County to place "No Parking" signs along this street to eliminate the safety concerns. Unfortunately, the County does not believe that the safety concerns are significant enough to warrant the use of "No Parking" signs.

We are asking our residents to contact the County to voice your concerns. We are hoping that they will reconsider our request once enough residents describe the safety issues along this road.

Please contact Hector Bertran, Orange County Traffic Engineer, by phone at 407-836-7763 or 321-354-5490 or by email at hector.bertran@ocfl.net.

Please direct all concerns to the management company. For ARB requests, please go to the Association's website – www.greenpointeatmeadowwoods.com. Click on "Resident Services" then "Online Forms." Fill out and submit the form prior to making any exterior modifications to your home. Please also see the ARB application included with this newsletter.

Board of Directors:

President: Emily Smith

Vice President: Luis Ortiz

Secretary/Treasurer: Syed Bukhari

Architectural Changes (Exterior Modifications)

The Board of Directors is aware that several owners will need to repair and/or replace their roofs or make other architectural (exterior) changes due to damages sustained during Hurricane Irma. However, all changes must still first be approved by the Greenpointe at Meadow Woods Architectural Review Committee (ARC). The ARC application form is included with this newsletter and may also be found on the Greenpointe at Meadow Woods website, www.greenpointeatmeadowwoods.com. Please fill out and return the form to the management office at your earliest convenience. Please include the survey of your property and/or samples of the proposed change as requested on the application (i.e., a fence installation requires a property survey and repainting the exterior requires paint samples). The Architectural Review Committee will expedite these applications if the exterior changes required are due to hurricane damage. If you have any questions or concerns regarding this process or if you need a copy of the approved paint and roof colors, please call or email the management office at 407-251-2200 or info@dwppdm.com.

Please Pick-Up After Your Pets

We understand that many of the residents in our community are pet owners. Owning a pet is a wonderful experience for the "parent" and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities.

If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet. When you live in a community you cannot just let your dog out and then close the door. Your pet must be on a leash at all times, and any pet waste MUST be picked up and disposed in a waste receptacle. This is not only a community rule; it is an Orange County ordinance as well.

Dog waste is a hazardous substance and causes damage to grass and may spread illnesses to others. Thank you for your understanding and cooperation in this matter.

Monthly Property Inspections

The community management company is tasked by the Board of Directors each month to complete an inspection of all properties within the community. Below is a list of some of the violations that they will be on the look-out for during these inspections:

- 1) Lawns that need maintenance or full replacement (weeds, dead spots, irrigation issues, etc.).
- 2) Houses that may need pressure washing or painting.
- 3) Roofs that need pressure washing.
- 4) Fences in need of cleaning and/or repair.
- 5) Driveways that may need repairs or pressure washing
- 6) Weeds and grass in flower beds and missing mulch or stones in flower bed area
- 7) Roofs with mold or broken/missing shingles
- 8) Parking on the grass
- 9) Commercial vehicles, recreational vehicles, or trailers in driveways

The community management company's staff members will inspect each property from the road in a vehicle, and they will take pictures of any violations. They will not go onto your property to complete their inspection. Please be kind to the inspectors when they are completing their monthly inspections. The staff members will always identify themselves when approached if you have questions. However, please do not approach them in a hostile or negative manner. They are there to complete a job as directed by the Board of Directors and to help the community.

(Monthly Property Inspections continued)

If the inspectors find any problems with the exterior of your home, the management company will send you a letter notifying you of the violation. If you receive a violation letter, please feel free to contact the management company via email or by phone if you have any questions or if you need more time to correct the area of concern. The management company will work with you to make the needed improvements. Communication is very important so we can work together to maintain and improve our property values. Thank you for your cooperation regarding these matters.

Pool Rules

Please be advised that the pool closes at sundown every day. No unauthorized people may enter the pool after this time. Many people ask why the Association has chosen to close the pool at sundown. The answer is simple. **We did NOT choose this time.** The State of Florida decided this for us! **Since there is not enough light per State guidelines, we must close the pool when the sun goes down.**

Next, there is a list of pool rules located in the pool area. Please take a minute and review these rules. One of the most important rules is the age limit for use. If you are under the age limit, ***you may NOT use the pool without a parent or guardian being present.*** Accidental drowning in a swimming pool is a leading cause of death in Florida for children. Please be advised there are no lifeguards at the pool, and the maintenance personnel are ***not*** trained in CPR or pool safety. Failure to comply with the Pool Rules may also result in you being asked to leave the area.

Thank you for your cooperation with this matter. If you have any additional concerns or questions regarding this issue, please contact the management office.

Bulk Pick-Up Changes

On January 1, 2018, Orange County made changes to the bulk pick-up requirements. The County will now provide this service on a weekly basis without the need for an appointment. The day for bulk pick-up in our community is the same as for yard waste collection – Wednesday. Per the County, please separate the bulk items from your normal yard waste. Also, please limit the bulk pick-up to 3 cubic yards and do not place the items in plastic bags as the garbage collectors will need to see the items they are picking up for collection. Finally, place the items at the curb no earlier than 6 PM the night before collection on Tuesdays and no later than 6 AM on the collection day on Wednesdays. Please visit the following website to verify large items available for pick-up: www.ocfl.net/GreenClean.

Parking Regulations

The Board would like to remind all residents regarding the parking regulations for our community. According to the Association's documents in Article VIII, Section 19, "All vehicles of any Owner must be parked in the driveway and garage of the Owner's Lot. Owner's vehicles shall not be parked on the lawns of any Lot nor shall any Owner's vehicles be parked on the streets of the Property."

The Board requests that all residents follow these regulations for the safety and well being of our neighborhood. When several cars park in the street, it is difficult for emergency vehicles and waste removal trucks to get through. The Board requests your cooperation by parking in your garage or driveway. Thank you for your assistance in this important safety matter.

Garbage Cans

It has come to the Board's attention that many of the residents in our community are putting the garbage cans out a day or two before garbage collection day. In some instances, garbage cans may be left out on the curb for three to four days at a time. We are also seeing many residents leaving the garbage cans on the side of their home on non-collection days. Per the governing documents for the community, this is not allowed. All garbage cans are to be stored out of view from the road unless they are being placed out for garbage collection. The Board has asked that all residents place their garbage containers out on the curb no earlier than 6 PM the night before collection, and they must be returned to their proper storage places by 6 PM the day of collection.

If you would like to continue to store your garbage bins outside, a solution that you may use is privacy fencing. You may find privacy fencing at your local home improvement stores. Please see an example of this fencing submitted by one of your neighbors below:

If you have any questions or concerns regarding this matter, please feel free to contact the management company. Thank you for your understanding and cooperation.
