We wish all of our residents well during this difficult time. Take care, and stay safe.

2nd Quarter Assessment Reminder and Payment Plan Options

Please remember that your second quarter assessment of \$132.50 was due on April 1st.

Due to the financial crisis surrounding COVID-19, the Board agreed to waive late fees and

interest for the month of April. If you need to make alternative payment arrangements due to financial difficulties, please contact our office to set-up a payment plan. It is very important that you contact us to discuss this matter. We cannot set-up a payment plan if we are not aware of your financial situation.

We have had a few owners request that the assessment is waived completely. Please be aware that this is not possible. The Association is a not-for-profit organization and is not eligible to receive funds from government assistance programs. Therefore, the Association must still pay all insurance, maintenance, and common area expenses. While the assessments cannot be waived, the Board of Directors and management company will work with owners who have experienced job loss due to COVID-19. We will make payment arrangements with these owners in order to ease the financial impact as much as possible.

If you have any other questions or concerns regarding your account balance, please feel free to contact the management office at 407-251-2200 or at info@dwdpm.com.

New Owner Access Platform

We are thrilled to announce our new online owner access feature where you can login to manage your account and access

community documents. With your Internet-enabled device, you will now be able to view your current account balance, check your payment history, view your open records and more! To ensure your privacy, only homeowners whose email address is on file will receive a registration email. **If you have not already provided your email, please email your information to info@dwdpm.com** and include your community name, address within the community, and the email address you want on file. This extra step is designed for the safety of your personal information because it allows us to verify each homeowner.

Once your email address has been opted into the system, you will receive an email to register. For security purposes, a return email will be sent to confirm you are the owner of that email account.

Please check your SPAM folder as it may be filtered automatically. After you click the link in the confirmation email, your account will be registered. You will then be able to log into your account using your email address and the password you created when you registered.

We encourage everyone to utilize the new on-line access platform at <https://one.topsoft.com/Account/Login?ReturnUrl=%2F> in order to review your account balance and obtain information. Please let us know if have not received your invitation to join the platform, and

we will help you set-up your account.

If you are interested in obtaining the 2020 Budget for your community, please feel free to review the document on the community website using the following link: <http://greenpointeatmeadowwoods.weebly.com/approved-budget.html>. You may also contact the management office to obtain a copy via email or regular mail.

Association Payments Via the Payment Portal with Center State and Payment Reminders

If you have set-up automatic payments through the on-line payment system with Center State Bank, please be aware that DWD Professional Management does not have access to that system and any updates needed must be made directly by you. If you have made any errors in terms of the amount of your payment or the frequency of your payment, please login into the portal to make any necessary revisions. Go to schedule payments, cancel the current request, and start a new request with the correct payment amount and/or frequency.

Please keep in mind that the system is automatically selected for monthly payments, so please indicate the correct frequency for your association payments and change as needed. The

assessment payments for Greenpointe at Meadow Woods are quarterly and are due on January 1, April 1, July 1, and October 1. Please also be aware that all on-line payments take 2 to 3 business days for processing before they are applied to your account.

In addition, the on-line payment system is a payment portal only. This system is not connected to the account system with the management company. The payment portal does not have any information regarding your current account balance. If you need your account balance or a full detailed payment history report, you must contact the management company directly.

Finally, please be aware that DWD Professional Management does not send payment reminders by text or email. If you are receiving payment reminders through text or email, this is because you have signed up for it through the online payment portal. If you have signed up for the reminders in error, please login into the portal. Go to notifications and cancel/edit the request and make any changes needed or set-up a new request.

If you have any questions or concerns about the on-line payment portal, please contact the management office for assistance.

Future 417 Widening Projects

On pages 9-10 of this newsletter, please find an announcement from the Central Florida Expressway Authority regarding their plans to widen the 417 from International Drive to Narcoossee Road beginning later this year.

If you notice a street light out on your street, please call Duke Energy at 407-629-1010 to report the street name or section where the light is located. You may also visit the following website to report the outage: <https://www.duke-energy.com/customer-service/request-light-repair>. Please contact the management office if you need assistance or if you have any questions.

Off-Duty Sheriff's Deputy Patrols and Suspicious Activity

Your community is patrolled several days per month by an off-duty Orange County Sheriff's Deputy. The deputy is on patrol to spot suspicious activity, to help enforce traffic laws, and to help the people in communities we manage in Meadow Woods. If you see the deputy on patrol, and if you have noticed any suspicious activity, please stop the deputy and talk with him regarding your concerns. You should also call the

Orange County Sheriff's Department at (407) 836-4357 to report suspicious or criminal activities. We recently have experienced vandalism at the community playground. Therefore, if you notice anyone suspicious within the community, it is important that you call and report the issue. **The Sheriff's Department is the only organization charged with the protection of your property, and they are the only organization with the authority to approach and stop these people and their activities.**

Please be aware that the deputy is only able to enforce state law and county ordinances. If you see a community violation (i.e., parking on the grass), please call DWD Professional Management to address these concerns. Thank you.

Please Pick-Up After Your Pets

We understand that many of the residents in our community are pet owners. Owning a pet is a wonderful experience for the "parent" and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities.

If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet. When you live in a community you cannot just let your dog out and then close the door. Your pet must be on a leash at all times, and any pet waste MUST be picked up and disposed in a waste

receptacle. This is not only a community rule; it is an Orange County ordinance as well. Dog waste is a hazardous substance and causes damage to grass and may spread illnesses to others. Thank you for your understanding and cooperation in this matter.

Architectural Changes (Exterior Modifications)

It has come to our attention that some homeowners are not familiar with the steps of the Architectural Review process. That is quite understandable. We would like to take this opportunity to help anyone in our community better understand this process.

If you are going to make any changes to the front of your property, including landscaping changes or repainting your home, or if you intend to make any structural changes to your property (i.e., room additions, pools, screen enclosures), then you will need to fill out the Architectural Review Committee (ARC) application.

These applications will always be available on your community's website and they are included in the monthly newsletter (please see the form below). Please follow the instructions on the form and submit all of the required documents for your requested change. When you are submitting an application to the ARC, remember to include the following:

1. Two (2) copies of the property survey that show the location of the proposed change, alteration, renovation or addition.
2. Two (2) drawings of your plan(s).
3. Two (2) copies of color samples, if applicable.

Please note that applications submitted by fax or without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you.

Finally, please be aware that the Association has architectural guidelines indicating the list of approved color schemes for painting your home and the shingle colors for any roof replacements. If you would like to review these guidelines, please visit the Association's website at the following link:

<http://greenpointeatmeadowwoods.weebly.com/architectural-change-request.html>.

If you have any questions, please call us at 407-251-2200, and we will be happy to assist you. Also note that management does NOT approve or deny any of these requests. We collect the applications and then submit them to the community's Architectural Review Committee (ARC). The ARC is a group of volunteer homeowners who review the applications and approve or deny the applications based on your community's written criteria (the architectural guidelines). Per Florida Statutes,

this process may take up to 30 days.

As soon as the Committee makes a decision, we will mail you the letter of approval or denial.

Please make sure you do not proceed with any improvements until you have heard from the Committee. I hope this helps everyone understand the Architectural Review process a little better. If this still leaves you with any questions, please feel free to contact our management office.

Starting in late 2020, the Central Florida Expressway Authority (CFX) will begin work to widen SR 417 (Central Florida GreeneWay) from International Drive to SR 528 (Martin B. Andersen Beachline). This work is being done to meet the demands of population growth and improve traffic flow on one of CFX's busiest expressways. Work will be broken into five phases to minimize impact to motorists.

Central Florida is growing rapidly and so is the traffic on our roadways. In just the past five years, the number of vehicles on CFX roads has more than doubled. Traffic is expected to grow as more than 1,500 people move to Central Florida each week. A recent study by the Orlando Economic Partnership advises Osceola and Orange counties will be the fastest growing in Florida, with nearly a 30-percent rise in population.

According to CFX's 2018 numbers, the average daily traffic count on SR 417 between International Drive and SR 528 ranges from more to 68,000 to nearly 95,000 depending on the location. Orange County officials report the average person spends 46 hours a year in traffic! To reduce that commute time, CFX will widen SR 417 between International Drive and State Road 528 from two lanes to three lanes in each direction (six lanes total). The widenings consist of five separate projects:

- SR 417 from International Drive to John Young Parkway
- SR 417 from John Young Parkway to Landstar Boulevard
- SR 417 from Landstar Boulevard to Boggy Creek Road
- SR 417 from Boggy Creek Road to Narcoossee Road
- SR 417 from Narcoossee Road to SR 528

The widening projects include:

- Additional Prepaid Toll Lanes (dedicated E-PASS lanes) in each direction at the John Young Main Plaza and the Boggy Creek Main Plaza;
- Sound walls along several locations of the expressway; and wider "incident management" shoulders.

Construction on the first segment will start in late 2020 and will take approximately four years before all five projects are complete.
