Corona Virus (COVID-19) Update

The state of Florida is currently in the third phase of reopening. Per the advice of the Association's attorney, the Association is required to follow CDC guidelines and Osceola County ordinances even in Phase 3. Based on the attorney's advice and the need to follow these guidelines and ordinances, the Board has decided to continue with the following safety procedures as outlined below:

1) Office Visits – By Appointment Only: **If you must stop by the management office in person, you will be required to make an appointment first so the staff can ensure proper social distancing.** We will also require that you wear a mask or covering over your nose and mouth while visiting the office. Please contact the office at 407-251-2200 to make an appointment if needed. We encourage all residents to use the online portal or to conduct business via phone or email when possible.

2) Board Meetings: The Board will continue to conduct all business via telephone or video-conference.

3) Common Areas: The pool and playground area will remain closed for the health and safety of the community.

We appreciate your cooperation and understanding in this matter.

We will continue to monitor the situation at the local, state, and federal level and will provide updates to you as needed. We encourage all of our residents to follow the recommendations from the Center for Disease Control (CDC) and the Florida Department of Health regarding COVID-19 in order to limit the spread of the disease and to keep your family and neighbors safe.

Please use the following links to the websites for the CDC and the Florida Department of Health.

If you have any questions or concerns, please contact our office by phone at 407-251-2200 or by email at info@dwdpm.com.

We wish all of our residents well during this difficult time. Take care, and stay safe.

Payment Plan Options

If you are experiencing financial difficulties or job loss due to COVID-19, please contact our office to set-up a payment plan. **It is very important that you contact us to discuss this matter. We cannot set-up a payment plan if we are not aware of your financial situation.**

If you have any other questions or concerns regarding your account balance, please feel free to contact the management office at 407-251-2200 or at info@dwdpm.com.

Parking Issues

The Board has reported that many people within the community are parking in violation of County ordinances (i.e., parking over sidewalks, parking in the wrong direction, or parking too close to stop signs). Please be aware that the off-duty Orange County Sheriff's Deputy who patrols the neighborhood has issued and will continue to issue traffic citations to anyone in violation of County ordinances. The Board also asks that residents do not park in any manner that will make it difficult for your neighbors to access their driveways, that impedes the collection of garbage/recycling containers, or that blocks traffic.

Please be advised that the Association cannot enforce County parking laws. The streets within the community belong to the County and only the County can issue citations or tow vehicles from the streets within the community.

If you have any questions or concerns regarding this issue, please contact the management company. We also encourage you to contact Orange County to voice your concerns regarding this matter.

No Parking at the Pool After Hours

Please be advised that no parking is permitted at the pool from **12AM - 6AM**. In addition, cars without proper registration, vehicles parked on the grass, or cars parked illegally may be towed at any time. We ask that all members follow the parking rules so your vehicle is not towed from this area.

If your car is towed, please contact the towing company:

Owner Access Platform

We are thrilled to announce the new online owner access feature where you can login to manage your account and access community documents. With your Internet-enabled device, you will now be able to view your current account balance, check your payment history, view your open records and more!

To ensure your privacy, only homeowners whose email address is on file have already received a registration email. **If you have not already provided your email, please email your**

information to info@dwdpm.com and include your community name, address within the community, and the email address you want on file. This extra step is designed for the safety of your personal information because it allows us to verify each homeowner. Once your email address has been opted into the system, you will receive an email to register. For security purposes, a return email will be sent to confirm you are the owner of that email account.

If you received the registration email but the time has expired and you are in need of a new registration email, please contact our office by email at info@dwdpm.com with your request. Please make sure to include the email address you want us to use and we process a new registration email for you.

Please check your SPAM folder as it may be filtered automatically. After you click the link in the confirmation email you can create your password and your account will be registered. You will then be able to log into your account using your email address and the password you created when you registered. Please make sure to use Google Chrome which is the preferred web browser for the platform.

We encourage everyone to utilize the new on-line access platform at <https://owner.topsoft.com/DWDProfessionalManagement/Account/Login> in order to review your account balance and obtain

information. Please let us know if have not received your invitation to join the platform, and we will help you set-up your account.

Association Payments Via the Payment Portal with Center State and Payment Reminders

If you have set-up automatic payments through the on-line payment system with Center State Bank, please be aware that DWD Professional Management does not have access to that system and any updates needed must be made directly by you. If you have made any errors in terms of the amount of your payment or the frequency of your payment, please login into the portal to make any necessary revisions. Go to schedule payments, cancel the current request, and start a new request with the correct payment amount and/or frequency.

Please keep in mind that the system is automatically selected for monthly payments, so please indicate the correct frequency for your association payments and change as needed. The assessment payments for Greenpointe at Meadow Woods are quarterly and are due on January 1, April 1, July 1, and October 1. Please also be aware that all on-line payments take 2 to 3 business days for processing before they are applied to your account.

In addition, the on-line payment system is a payment portal only.

This system is not connected to the account system with the management company. The payment portal does not have any information regarding your current account balance. If you need your account balance or a full detailed payment history report, you must contact the management company directly.

Finally, please be aware that DWD Professional Management does not send payment reminders by text or email. If you are receiving payment reminders through text or email, this is because you have signed up for it through the online payment portal. If you have signed up for the reminders in error, please login into the portal. Go to notifications and cancel/edit the request and make any changes needed or set-up a new request.

If you have any questions or concerns about the on-line payment portal, please contact the management office for assistance.

Reporting Street Light Outages

If you notice a street light out on your street, please call Duke Energy at 407-629-1010 to report the street name or section where the light is located. You may also visit the following website to report the outage:
<https://www.duke-energy.com/customer-service/request-light-repair>.

Please contact the management office if you need assistance or if you have any questions.

Off-Duty Sheriff's Deputy Patrols and Suspicious Activity

Your community is patrolled several days per month by an off-duty Orange County Sheriff's Deputy. The deputy is on patrol to spot suspicious activity, to help enforce traffic laws, and to help the people in communities we manage in Meadow Woods. If you see the deputy on patrol, and if you have noticed any suspicious activity, please stop the deputy and talk with him regarding your concerns. You should also call the Orange County Sheriff's Department at (407) 836-4357 to report suspicious or criminal activities. If you notice anyone suspicious within the community, it is important that you call and report the issue. **The Sheriff's Department is the only organization charged with the protection of your property, and they are the only organization with the authority to approach and stop these people and their activities.**

Please be aware that the deputy is only able to enforce state law and county ordinances. If you see a community violation (i.e., parking on the grass), please call DWD Professional Management to address these concerns. Thank you.

Please Pick-Up After Your Pets

We understand that many of the residents in our community are pet

owners. Owning a pet is a wonderful experience for the "parent" and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities.

If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet. When you live in a community you cannot just let your dog out and then close the door. Your pet must be on a leash at all times, and any pet waste **MUST** be picked up and disposed in a waste receptacle. This is not only a community rule; it is an Orange County ordinance as well. Dog waste is a hazardous substance and causes damage to grass and may spread illnesses to others. Thank you for your understanding and cooperation in this matter.

Architectural Changes (Exterior Modifications)

It has come to our attention that some homeowners are not familiar with the steps of the Architectural Review process. That is quite understandable. We would like to take this opportunity to help anyone in our community better understand this process.

If you are going to make any changes to the front of your property, including landscaping changes or repainting your home, or if you intend to make any structural changes to your property (i.e., room additions, pools, screen enclosures), then you will need to fill out the

Architectural Review Committee (ARC) application.

These applications will always be available on your community's website and they are included in the monthly newsletter (please see the form below). Please follow the instructions on the form and submit all of the required documents for your requested change. When you are submitting an application to the ARC, remember to include the following:

1. Two (2) copies of the property survey that show the location of the proposed change, alteration, renovation or addition.
 2. Two (2) drawings of your plan(s).
 3. Two (2) copies of color samples, if applicable.
- Please note that applications submitted by fax or without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you.

Finally, please be aware that the Association has architectural guidelines indicating the list of approved color schemes for painting your home and the shingle colors for any roof replacements. If you would like to review these guidelines, please visit the Association's website at the following link:

<http://greenpointatmeadowwoods.weebly.com/architectural-change-request.html>.

If you have any questions, please call us at 407-251-2200, and we

will be happy to assist you. Also note that management does NOT approve or deny any of these requests. We collect the applications and then submit them to the community's Architectural Review Committee (ARC). The ARC is a group of volunteer homeowners who review the applications and approve or deny the applications based on your community's written criteria (the architectural guidelines). Per Florida Statutes, this process may take up to 30 days.

As soon as the Committee makes a decision, we will mail you the letter of approval or denial. Please make sure you do not proceed with any improvements until you have heard from the Committee. I hope this helps everyone understand the Architectural Review process a little better. If this still leaves you with any questions, please feel free to contact our management office.
