New Pool Security System and Pool Keys

Envera Systems recently installed a new security system at the pool. This involved the installation of new gate access and the use of magnetic pool key fobs for gate entry. Envera Systems sent a representative to our community last month to issue residents their new pool key fob for amenity access.

Therefore, if you were not able to attend the meetings earlier this month to obtain your pool key fob, please contact the management office at info@dwdpm.com or 407-251-2200. The management office will arrange a time for you to pick up your key fob at one of their offices.

Each household is eligible to receive 1 key fob at no charge if you currently have a pool key. If you do not already have a pool key, a key fob may be purchased for \$20.00.

Accepted methods of payment are exact cash, check, or money order made payable to Greenpointe at Meadow Woods HOA.

Please bring the following with you to be issued your key fob:

Owners: You must bring a photo ID.

Renters: You must bring a photo ID and a copy of your current lease agreement.

Also, Envera will be changing the pool bathroom locks soon to work with the pool key fob as well. In the meantime, please keep your pool key to open the bathroom while you are at the pool. If you have any questions or concerns, please contact the management office.

3rd Quarter Assessment Reminder

Please remember that your third quarter assessment of \$125.00 was due on July 1st. Payments received after the 15th of July were assessed a \$10.00 late fee. In addition, any account with a balance at the end of the month incurs interest (January through December). Therefore, if you have not made your 3rd quarter assessment yet, please do so by the end of business on July 31st in order to avoid the application of interest. Please remember that all homeowners receive a 15-day grace period for their payments each quarter. However, all payments **are due on the 1st day** of the quarter. If you need any assistance making your payment or if you need your current account balance, please contact the management office.

Architectural Changes (Exterior Modifications)

It has come to our attention that some homeowners are not familiar with the steps of the Architectural Review process. That is quite understandable. We would like to take this opportunity to help anyone in our community better understand this process.

If you are going to make any changes to the front of your property, including landscaping changes, or if you intend to make any structural changes to your property (i.e., room additions, pools, screen enclosures), then you will need to fill out the Architectural Review Committee (ARC) application.

These applications will always be available on your community's website and they are included in the monthly newsletter (please see the form below). Please follow the instructions on the form and submit all of the required documents for your requested change. When you are submitting an application to the ARC, remember to include the following:

1. Two (2) copies of the property survey that show the location of the proposed changed, alteration, renovation or addition.
2. Two (2) drawings of your plan(s).
3. Two (2) copies of color samples, if applicable.

Please note that applications submitted by fax or without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you.

If you have any questions, please call us at 407-251-2200, and we will be happy to assist you. Also note that management does NOT approve or deny any of these requests. We collect the applications and then submit them to the community's Architectural Review Committee (ARC). The ARC is a group of volunteer homeowners who review the applications and approve or deny the applications based on your community's written criteria (the architectural guidelines). Per Florida Statutes, this process may take up to 30 days.

As soon as the Committee makes a decision, we will mail you the letter of approval or denial. Please make sure you do not proceed with any improvements until you have heard from the Committee. I hope this helps everyone understand the Architectural Review process a little better. If this still leaves you with any questions, please feel free to contact our management office.

Please Pick-Up After Your Pets

We understand that many of the residents in our community are pet owners. Owning a pet is a wonderful experience for the "parent" and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities.

If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet. When you live in a community you cannot just let your dog out and then close the door. Your pet must be on a leash at all times, and any pet waste MUST be picked up and disposed in a waste receptacle. This is not only a community rule; it is an Orange County ordinance as well.

Dog waste is a hazardous substance and causes damage to grass and may spread illnesses to others. Thank you for your understanding and cooperation in this matter.

Monthly Property Inspections

The community management company is tasked by the Board of Directors each month to complete an inspection of all properties within the community. Below is a list of some of the violations that they will be on the look-out for during these inspections:

- 1) Lawns that need maintenance or full replacement (weeds, dead spots, irrigation issues, etc.).
- 2) Houses that may need pressure washing or painting.
- 3) Roofs that need pressure washing.
- 4) Fences in need of cleaning and/or repair.
- 5) Driveways that may need repairs or pressure washing
- 6) Weeds and grass in flower beds and missing mulch or stones in flower bed area
- 7) Roofs with mold or broken/missing shingles
- 8) Parking on the grass
- 9) Commercial vehicles, recreational vehicles, or trailers in driveways

The community management company's staff members will inspect each property from the road in a vehicle, and they will take pictures of any violations. They will not go onto your property to complete their inspection. Please be kind to the inspectors when they are completing their monthly inspections. The staff members will always identify themselves when approached if you have questions. However, please do not approach them in a hostile or negative manner. They are there to complete a job as directed by the Board of Directors and to help the community.

If the inspectors find any problems with the exterior of your home, the management company will send you a letter notifying you of the violation. If you receive a violation letter, please feel free to contact the management company via email or by phone if you have any questions or if you need more time to correct the area of concern. The management company will work with you to make the needed improvements. Communication is very important so we can work together to maintain and improve our property values. Thank you for your cooperation regarding these matters.

Pool Rules

Please be advised that the pool closes at sundown every day. No unauthorized people may enter the pool after this time. Many people ask why the Association has chosen to close the pool at sundown. The answer is simple. **We did NOT choose this time.** The State of Florida decided this for us! **Since there is not enough light per State guidelines, we must close the pool when the sun goes down.**

Next, there is a list of pool rules located in the pool area. Please take a minute and review these rules. One of the most important rules is the age limit for use. If you are under the age limit, **you may NOT use the pool without a parent or guardian being present.** Accidental drowning in a swimming pool is a leading cause of death in Florida for children. Please be advised there are no lifeguards at the pool, and the maintenance personnel are **not** trained in CPR or pool safety. Failure to comply with the Pool Rules may also result in you being asked to leave the area.

Finally, with the installation of the new Envera Security system, the pool area is monitored. Therefore, anyone found at the pool from dusk to dawn will be asked to leave by Envera Security. Envera will call the Orange County Sheriff's Department if necessary.

Thank you for your cooperation with this matter. If you have any additional concerns or questions regarding this issue, please contact the management office.

Tree Trimming Reminder - Hurricane Season

The Board would like to remind all residents to trim their trees and remove all dead branches. Trimming and pruning your trees will help eliminate damage to your property in the event of a hurricane or tropical storm.

Reminder to Maintain the Easement Area

The Board would like to remind all residents that the easement areas in front of your homes (and along the side of your homes if you are on corner lots) belong to the owners, and, therefore, must be maintained by the owners. Therefore, please mow, edge, weed, and maintain all grass on your property. The easement areas are not maintained by the Association. If you have any questions or concerns regarding this matter, please contact the management office.
